GYBA will pay 1/2 of the cost of the uniform, if your child's uniform from last year still fits them and if we are able to reorder the exact same uniform, if needed, you can re-use last year's uniform.

***Each travel team player that dresses for a game will be guaranteed at least one quarter playing time, or its time equivalent. (Unless that player becomes ill, fouls out, gets ejected or removed for disciplinary reasons)**

The goal of the Green Youth Basketball Association is to ultimately provide the High School varsity basketball programs with more game experienced and more fundamentally prepared players. The in house recreational program is open to all Green residents, regardless of where they currently attend school, or where they plan on attending in the future. The traveling teams will consist of players who, at this time, plan on attending Green High School.
