

Green Youth Basketball Association

Visit us at: www.greenbasketball.com and go to "Sponsors"

To Our Valued TEAM Sponsors:

It is that time of year for the local **Green Youth Basketball Association** to begin registering kids for our youth programs. This program has been sponsoring Green community recreational and travel basketball programs for girls and boys, grades 3rd through 6th, since 1995.

Please consider sponsoring a team this year. Each sponsor is assigned a team with jerseys which carries the sponsor's name and logo. Each sponsor is listed on our WEB page and prominently listed in our highly successful area community travel tournaments. These tournaments draw 50 teams from 20 different communities.

We are open to suggestions on ways to support our TEAM Sponsors.

If you are a past sponsor, we **Thank You** for your continued support. If you are a new sponsor, **Welcome!**

Any questions, please contact Dave Dornack at 330-715-0829 or greenyouthbasketball@gmail.com.
